

Meadowfields 114 Caravan, Thorpe Park.

This well equipped and well maintained privately owned three bedroom, Willerby Salisbury 12' x38' is offered for holiday rentals. It is gas fired and warm air heated to make this the equivalent of a "Deluxe " class Haven caravan.

Superbly positioned, close to the play areas, the indoor and outdoor swimming pools, the sandy, beach and all of the main entertainment centres of Thorpe Park Haven holiday site

We have a very generous sized pitch with lots of private space around us and separate hard standing parking to the rear. It is a lovely spacious quiet cul-de-sac and lots of grassy areas around the caravan to relax and play - this is a lovely quiet, safe spot in the daytime and you can relax outside whilst listening to the chirruping of the birds in the nearby trees and the laughter of children playing.

Our caravan has all mod cons, including a wonderfully comfortable suite, fully equipped kitchen with gas oven, microwave, and separate fridge / freezer. For your entertainment there is a flatscreen LCD TV/DVD with free-to-air channels, and there is a choice of books, toys and board games available to our guests. We also provide a vacuum cleaner, hair-dryer, and iron. In addition to the gas fire in the lounge, there is warm air heating in all rooms (which heats the place up really quickly, keeping the caravan snug and warm).

There is one double bedded room which has a luxury double divan bed with sprung mattress. There are two twin bedded rooms (the twin beds push together to form double beds if you wish or can be stacked if you wish to bring a cot with you). All of the bedrooms have fitted wardrobes, shelving and small cupboards. In the lounge the fixed sofa houses a pull out double bed.

The shower room has a large shower cubicle and washbasin and there is a separate toilet with washbasin.

We also have a separate paved area with a large pub-style bench large enough to seat 8 people, so if the weather is glorious you can eat alfresco! Please note that you will need to provide your own parasol if required.
