Bury Village Neighbourhood Plan Forum

Report to Parish Council

5 April 2016

The first meeting of our Forum took place on the 30 March and was attended by three willing volunteers, Jeremy Mumford (JM), John Prestage (JP) John Arkle. Three others who had indicated their desire to help were unable to attend, and JM will meet up with them before the next meeting.

This session was intended to bring everyone up to the same and current level of understanding and the two hours was spent walking through the history, the process and our current position.

Since the last update JM has attended two meetings, firstly a workshop run by HDC attended with Peter Levi, which was attended by many local councils and NP groups and was very helpful, the second a conference in Ely run jointly by Cambridgeshire ACRE and CPRE with presentations by HDC, Cambs CC and DCLG among others which was excellent. One of the more important points brought up which is now also in the 'Roadmap' document is that the local Parish Council is ultimately responsible for the Neighbourhood Plan and any forum has to be constituted under the PC if such a body exists although practice and experience drawn from others suggests there is real benefit from the NP being run by the community not the PC.

It was noted that the maximum available funding for a Neighbourhood Plan project is now £9000 from April 2016 for a 'standard non-complex' area. One of the first things we will be doing is defining the shape of our project and putting together a budget and project plan from which we can make a viable application for funds. Any application and subsequent award has to be spent within 6 months.

We will be talking to Cambridgeshire Acre in order to ascertain their availability to assist with our project on a consultative basis. We will be speaking to others with this regard also.

We are pleased to have Chris Johnson on board for Finance assistance and to help us through the local councils maze and we have started to populate our website (www.buryvillagenp.co.uk) which Pete Brindley is helping with.

Due to Peter Levi stepping down from his role on the Forum we would like another Parish Councillor to sit on the forum along with JP, and I would welcome any offers to do so. We hope to have 6 or 7 members of the forum to start with and hopefully some more once we get into the swing of things and people start to see the process working.

The next meeting is planned for Wednesday 13th April.
