

DOG FOULING LEGISLATION

ARE YOU A DOG OWNER OR ANNOYED BY DOG FOULING?
THIS LETTER IS FOR YOU!

Dear Householder,

This Council has promoted, and continues to promote, responsible dog ownership to reduce the nuisance and health problems associated with fouling. Unfortunately there are still some dog owners who act irresponsibly and do not clear up after their dogs. The Council has adopted rules under which offenders may be prosecuted.

The rules are important to you if you own a dog or if you are concerned about dog fouling in public places.

An on the spot fine of £75 or a fine of up to £1,000 on prosecution now applies if your dog fouls in a public place and you don't clear it up immediately.

A public place means land to which the public has access within built up areas in the District which includes roads with a speed limit of 40 mph or less; footpaths, open spaces, parks, school playing fields, cemeteries, etc.

If you are a dog owner please make sure it is your poop scoop you take from your pocket and not your money to pay the fine.

If you are annoyed by dog fouling then please help us to track down the offenders. For more information see overleaf. If you wish to notify us of an offence which you think may have been committed, please contact 01480 388302 during normal office hours.

Yours faithfully,

Claudia Deeth
Resilience Manager
